MEMBERSHIP PACKAGES

2011-12

If you already enjoy golfing with a small or large group, join Moorhead Country Club together for additional savings of up to 15% off your annual membership dues!

Membership discounts are based on the total dollars of purchased membership dues within the group. All memberships and their related dues, minimums, and fees are selected and maintained by the individuals within the group.

To qualify for the group membership discount, all group members must join MCC at the same time and all group members must be new members to MCC.

This discount will apply annually and will be credited during the 3rd quarter of the membership season. New group members, that are new members to MCC, may be added at any time.

TIERING FORMULA:

Group purchases a minimum of:

- \$5000 in total dues = **5% dues discount for each membership**
- \$7500 in total dues = **10% dues discount for each membership**
- \$10,000 in total dues = **15% dues discount for each membership.**
